

Title: DOWNPLAY

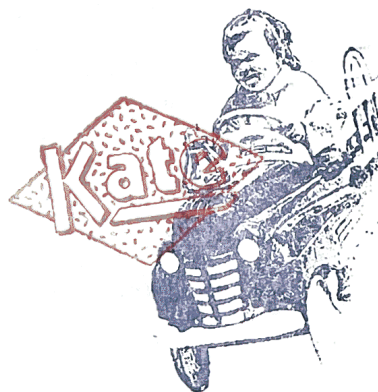

By: k8m_3

With his rhetoric, Trump has continually downplayed the risks of the coronavirus. On 10/1/20, the Trumps and 45,692 other Americans tested positive for COVID-19.

Creating fear and panic seems to be a political tool that Trump uses to his advantage. He uses fear to motivate voters.

But by saying he was trying to avoid panic by not revealing the severity of Covid-19, he was not honest with the public and has worsened the situation.
